Journal of Building Automation

ISSN 2191-7825

last update November 30, 2025

Please send all  
communication regarding  
the journal exclusively to  
**call@bacnetjournal.org**  
from now on.

## Profile

---

The BACnet Journals are the trade magazines for building automation based on BACnet technology. Experts, practitioners and professionals show the way in applying and developing the BACnet standard – from building automation trends to devices and application projects; from qualification and trainings to testing and certification; from who is who in the BACnet community to useful information on events and publications.

Special attention is given to members and activities of the BACnet Interest Groups. The BACnet Journals bring BACnet into the global markets.

## Columns

---

Product reports, reference projects, BACnet trends and highlights, standardization, testing and certification activities, news of BACnet Interest Groups, BACnet Insight, Interviews, member presentations, calendar of events, recent publications, training and qualification.

## Readers, Target Groups

---

Architects, building operators, building technicians and mechanics, construction engineers, control engineers, consultants, developers, facility managers, maintenance managers, marketing managers, network engineers, planners, project managers, sales and distribution engineers, service engineers, software engineers, specifiers, system integrators.

## Branches, Industries

---

Architecture, building solution industries, building services, construction and automation industries, consulting, building leasers, building owners, facility management, investors, maintenance and administration services, public building services, R&D, Real Estate services, users.

## Technical specifications

---

Special Issues vary in paper size and print space

## Printing process

---

Offset, Colours: Cyan, Magenta, Yellow, Black (CMYK)

**Color space: Coated FOGRA39**

## Magazine size

---

DIN A4, 210 mm width x 297 mm height,

Column width: 42 mm

Print space: 180 mm width x 261 mm height

## Print space

---

Please ensure that advertisements include **crop marks** and **3 mm bleeds**

## Digital media

---

Delivery: E-Mail up to 30 MB,

Software: Photoshop, Illustrator, InDesign.

With All fonts, pictures, diagrams, logos, etc.

PDF files: **Highres PDF X4, resolution at least 300 dpi, EPS files all in CMYK!**

## Additional design services

---

All advertisement designs, reproductions, montages, changes, colour works and layout carried out by us will be calculated at cost-price.

## Important legal information

---

The client is fully responsible for the content or legality of any third party materials supplied and the final published form and usage of these materials; in print, electronic, online etc. The client is responsible for ensuring that the rights of third parties by publishing in print, electronic, online etc., or any other form of media are not affected. It protects the contractor, if necessary, against any and all claims which are made by third party claimants. The client indemnifies the contractor free of any claims of copyright infringement. The contractor is not obligated to check any orders and whether the rights of any third parties are affected by it.
